

KORE CONSULTING MOVED THEIR AI WORKLOAD FROM DEDICATED SERVERS TO COLOCATION

YOUR DATA. YOUR AI. YOUR FUTURE.

Kore Consulting, a leader in financial technology and AI-driven solutions, migrated its AI workloads from third-party dedicated servers to Freedomtech Solutions colocation to gain complete control over its infrastructure, ensure data sovereignty and scale globally with confidence.

DATA SOVEREIGNTY

Your data.
Your rules.

MAXIMUM SECURITY

Built for compliance.
Protected always.

FULL OWNERSHIP

Your infrastructure.
Your advantage.

DEDICATED SERVERS

- ✗ High and unpredictable costs
- ✗ Limited control over infrastructure
- ✗ Data sovereignty & compliance challenges
- ✗ Slow scaling for AI workloads
- ✗ Multiple vendors, complex management

FROM

FREEDOMTECH COLOCATION

- ✓ 100% data sovereignty & full ownership
- ✓ Complete control of hardware & environment
- ✓ Secure, compliant & future-ready infrastructure
- ✓ High-performance AI workloads at scale
- ✓ One partner. Global coverage. 24/7 support

TO

RESULTS
